**MEMORANDUM OF UNDERSTANDING (MoU)
FOR EDUCATIONAL & SCIENTIFIC COOPERATION
Between
SAKON NAKHON RAJABHAT UNIVERSITY, THAILAND
And
INSTITUT TEKNOLOGI SEPULUH NOPEMBER (ITS), INDONESIA**

Here, we are: Sakon Nakhon Rajabhat University is a public university and having its registered office at 680 Nittayo Road, Mueang District, Sakon Nakhon 47000, Thailand

(hereinafter referred to as “SNRU”);

And Institut Teknologi Sepuluh Nopember (ITS) is a national university and having its registered office at Kampus ITS Sukolilo, Surabaya, East Java, Indonesia, 60111

(hereinafter referred to as “ITS”)

In accordance with a mutual desire to promote educational and research opportunities between the two institutions, we agree to sign the MoU as the following articles:

Article 1. General form for cooperation

Both of SNRU and ITS will encourage direct contact and cooperation between their faculty members and departments, as they are able, and will act as coordinators of contacts with other faculties whenever appropriate.

- a) Within fields of mutual collaboration, a general form of cooperation is envisaged as follows:
- b) Joint research activities
- c) Exchange of information in the area of scientific education and research which is of mutual interest to both of SNRU and ITS

- d) Exchange of faculty members for research, lectures, and discussions
- e) Exchange of graduate and undergraduate students for study and research
- f) Access to the various facilities of each institute

The other further academic and cooperation activities will be discussed and signed as the other Agreements.

Article 2. Joint research activities and exchange of information

The themes of the joint activities and the conditions for utilizing the results achieved as well as arrangements for specific visits, exchanges, and other forms of cooperation will be negotiated for each specific case whenever necessary in accordance with mutual requirements.

Both of SNRU and ITS understand that the financial arrangements will be negotiated on a case by case basis and subject to availability of funds at the time.

Article 3. Exchange of faculty members and students

Exchange staff and/or students will be required to purchase their own health insurance and casualty insurance, or give evidence that they have comparable insurance coverage. In either case, medical evacuation and repatriation coverage must be included.

Article 4. Access to the various facilities of each institute

Faculty members and students can use facilities in both universities according to the research proposal which will be discussed between host and home professors.

Article 5. Period time of MoU

This MoU will take effect from the date of signing by the representatives of both institutions. This agreement is valid for a period of five (5) years following its date of approval. The validity of the MoU may be extended after mutual consultation. On the occasion of dissolution of the MoU, one university must provide not less than six (6) months notice in writing to the other.

Article 6. Contact persons

Both sides agree to assign contact person for this MoU:

- For ITS:
Assist. Prof. Dr. Melania Suweni Muntini (melania@physics.its.ac.id), Researcher at Instrumentation Physics
- For SNRU:
Prof. Dr. Tosawat Seetawan (t_seetawan@snru.ac.th), Vice President of Research and Innovation

Article 7. Valid conditions

The MoU shall be written in English. It is executed in two copies, each for both parties. It will be valid after signing by both representatives.
